Thanks Jillian.

I'll move this motion (or second if I'm not first to respond)

Subject: Seeking Approval: PPSC Funding Allocation to Spend

Congrats to Team Wabanaki for putting on a fantastic event tonight. Please pass along congratulations to Home and School and all the Wabanaki staff lead by Mrs. Savory.

In our previous meetings we have discussed the approval to spend the PPSC allocated funds however we didn't formalize it with a motion. As such I am actioning a formal motion for direction to spend and approval.

Motion: Provide Wabanaki administration with discretion to spend the PSSC allocated funds in a manner that will best benefit students.

Action: Can two members of the PPSC approve and second the motion via reply all?

Thanks!
Jillian
